Kalinga Nagar is very pleasant ambiance to live with all facilities available at hand. Mega institutional structures have come up in the area. Highly prospective area for future development to establish offices and other service sector units.

Project Reviews

Trident Galaxy

Trident Galaxy is delayed over 2 years for phase one and over one year for the phase II. The price and value is not good and the builder take 95% money of the customer without giving house in the time. The promise quality is not there and the amenities are still not completed and hope it take another few years to complete. The builder and management people are not at all good on way to talk with the customer. They promised sunlight and ample of play area and open space and when you look

Cons:

- *Very far from the city*
- *No sunlight some houses and not clear ventilation*
- *Not good road and shopping center*
