Its the main commercial sector of Noida. One will find all brands and good eating outlets here. The sector has two malls i.e. Great India Place Mall (the largest mall of Noida) and Center Stage Mall. Its a quite crowded market specially on weekends. And with new construction (like DLF mall and Wave One) it will get all the more crowd, making situation worse.

**Pros:**

- *A good hangout place for Noida in terms of shopping and eating.*
- *It has offices catering to different products and service. Thus a one stop place for almost everyone*

**Cons:**

- *Quite crowded. And is expected to become more crowded with the new constructions.*
