* These pictures are of the project and might not represent the property

8 APIIC Pharma SEZ

9 Bangalore based Wonderla Amusement park in 50 acres Already Started.

All these projects were proposed in the earlier Realestate boom of 2007-2009 period and due to improper state government all these projects were not taken up. Now since we have TRS Stable government in place all these projects have started again and work is going in full swing. Entire real estate community has forgotten about this NAGARAM Village as there was slump in the market and now development has already started and nobody is watching. Believe me the rates are going to TRIPLE in 1-2 years from now.

Pros:

- *Nagaram Will become the most strategic location in Shamshabad*
- *Nagaram is in the midst of all SEZs and Industrial Parks*

Shamshabad { Only on NH 7 Bangalore Highway only} is the best place to invest. Now the rates are very cheap. They will increase with in due course of time. It's very near to Airport and Gachi Bowli and outer ring road. One can purchase the plots after Bio conservation limits (water catchment area). So many industries and educational institutions are coming near Timmapur and Kothur. There is a plan for Cargo of Railway terminal and extension of metro upto Timmapur railway station. The link Road between Timmapur and Maheshwaram is being widened. Sri Swami Jeeyar temple and Hospital complex and Medical college is near to Timmapur . My Home constructions are planning to construct a smart city between Muchintal and Timmapur Road. This is the best place to invest compare to Mumbai Highway, Warangal Highway, Srisailam Highway.

Pros:

- *It is Near to International Airport*

Cons:

- *No Malls*
