Description

Discover your dream home in beautiful landscapes of South Bopal where every moment is filled with peace and tranquility. **Sharanam County** has something in store for every home buyer; great location, delightful ambience, luxurious amenities and grandiose living.

If well and truly there is a sense of community it has to be inculcated in the design and development of every housing project. Sharanam County is all about a community, its harmony with the nature where luxury speaks a new language. It justifies the saying 'home is where the heart is'. Located in quiet nature of New Bopal, Sharanam County aims to house a harmonious community within its 120 bungalows and row house units.

Located 10 minutes away from S.G Highway and only 15 minutes from Prahladnagar, Sharanam County provides a total lifestyle living in the neighborhood. The best part is that it provides you with land ownership plus a house at 30% less the cost of apartments and flats located in Prahladnagar. You can have your own courtyard and backyard with complete privacy. Something you can never get while living in an apartment complex.
