Locality Reviews

Sector 91, Mohali

Sector 91 is the fastest growing sector among PUDA/Mega projects. Its location is unique in many ways, i.e proposed lake/golf course is at footstep, its boundary touches the IT park's huge buildings like Dell & Qwark. Surrounded by the most beautiful historical park at Chappercherri. Sector is planned with wider roads and beautiful park. Water, electricity, sewage planning is excellent. Moreover latest architecture is seen in new constructed house/societies. Finally, promoter has made sincere efforts to maintain this sector by all means. All grievances are well addressed.

Pros:

- Fast developing sector
- Proposed lake/golf course is nearby
- Well planned sector with with wide roads and park

Cons:

- Poor in commercial market even for day to day needs
