Locality Reviews

Badlapur West, Thane

Badlapur is famous for its quiet surroundings. One can immediately feel its proximity to nature. To get around, services of three wheeler auto rickshaw can be availed. These are very affordable and the best way to get around faster. Many people though like to walk around as you won't fatigue due to its clean air. The downtown is the railway station area & it is usually very crowded. Badlapur is divided into two. East & West (divided by railway lines) West Badlapur is where the old market is located. East Badlapur houses the town deity "Gaondevi". Most of the attractions are located little away (say around 4-5 kilometers) from the town.
