Dombivli is known for many positive things which goes in its favor, some of these are like 100% literacy rate, 99% working middle & higher middle class peace loving population who are known for their cultural activities. Renowned personalities from all walks of life are staying here. Boundaries of Dombivli are

extending due to increase in home seekers & non-availability of space. Big projects are coming at outskirts of Dombivli from reputed developers with all modern amenities.

Pros:

- *Literate, Cultured, working class middle & higher middle class peace loving population*

Cons:

- *Limited mode of transport ie Railway on which 99% population is depending for transport.*

Kalyan Shill Phata Road the most upcoming area in Central Suburbs. Likely to get appreciated in near future due to its connectivity and presence of top most developers like Lodha, Marathon, Runwal etc.

Pros:

- *Upcoming Location*

Cons:

- *Public transport problem*
