Locality Reviews

Knowledge Park 5, Greater Noida

Knowledge park 5 (KP-5) is a fast upcoming locality in Noida extension. I could see 2 nos of schools Aster public school and Delhi Wonder Public school are already functional. Corporate group M/s GATI already operates a major ware house and distribution center. In one of the commercial complex of Imperia structures Ltd. they have made office space and residential spaces (1 bhk and 2 bhk) within the same complex. Employees can just walk from home to their office and save a lot of time (usually a person in Delhi-NCR spends 2-3 hrs per day in commuting everyday). I personally like this home 2 office concept. I could also see several residential flats already occupied. I also saw the BSF IG HQ functional and BSF quarters already occupied. Construction activities are going on in full swing in all of the KP-5 area. KP-5 being just 17 kms from the Eastern Perihieral Expressway, the area is going to witness a massive boom in economic activities in next 1 yrs as the economy is resuming after covid. The place is now well connected with Cab services like OLA and UBER which was missing/infrequent two year back. Needless to say Noida is so green and clean and absolutely no traffic Jam (Just feels like
