Locality Reviews

RT Nagar, Bangalore

From a small development that had no roads or other facilities in the 80s, RT Nagar and specifically P&T Colony have blossomed into a much sought after address in Bangalore. Still quiet and clean, P&T Colony offers the best of both worlds - facilities and advantages of the Central Business District and peace.

Pros:

- Extremely well developed
- Schools, restaurants, banks, super markets available
- Cavery water

RT Nagar is a well developed locality which is only 4-5 km from the CBD. the layouts are planned well with good roads. It is well connected to all the major areas of Bangalore. it can be accessed by more than 3 different roads and that makes a great relief for commuters. it is connected to the international airport via bellary road and other major hospitals and schools are within the radius of 8 km.

Pros:

- good connectivity
- reasonable land prices

Cons:

- no good mall yet
