## Description

**Silver City Group** of Companies is a premier ISO 9001, 14001 certified real estate construction group in India and is engaged in prestigious commercial and residential development projects across the country. With host of experience in the real estate arena, Silver City has been bringing smiles across the face of millions of Indians with their value of money commercial and residential property offerings in the country. Our work speaks for us and we are counted among the top real estate development companies in India.

**Silver City Heights**-Realizing the true requirement of luxurious and at the same time affordable housing needs in India, Silver City launched Silver City Heights which is one of the most prestigious project of the company. This highly esteemed housing project took shape following the tremendous success of Silver City Apartments and Silver City Towers. These magnificent towers speak for themselves and if you are looking to own a piece of affordable residential property in Punjab then you need to take a look at this housing project which is strategically located in Zirakpur and is easily approachable from other Indian states such as Haryana and Himachal Pradesh.

What makes these real estate projects a runaway success is that the company keeps in mind the requirements of the people and builds dream housing projects as per the priorities of the people looking to move into a house which they can proudly proclaim it to be their own. One can own two to four bedroom luxury apartments in Silver City Heights which is one of the most sought after real estate possession in Punjab and at prices which one could never fathom in the booming real estate market in India. It offers you the chance to escape from the hectic life of the city and rejuvenate both your body and soul.
