Poonamallee can be roughly translated to mean "the place where jasmine grows". The locality has an equally rich cultural heritage with a number of temples and legends. The social infrastructure in this area envelops a number of good hospitals, clinics, nursing homes, and doctors' chambers. Armed with strong healthcare infrastructure and educational institutes, like St. John's International Residential School, Sundar Matriculation School, Chennai Public School, Holy Crescent Matriculation School, Saveetha Dental College, and SA Engineering College, Panimalar Engineering Collage etc. Poonamallee is all set to become a big realty hub in the future. One of the winning features of this locality is its smooth transport system. The most popular mode of public transport here are the buses, both State-run and private. Auto-rickshaws are the next most popular mode of travel.

Pros:

- *Good location*

Poonamallee, a suburb in south Chennai, has recorded a huge appreciation in the residential property segment in the past few months. Excellent connectivity, proximity to IT hubs and availability of well-developed infrastructure have ensured that in spite of being a commercial hub originally, Poonamalle is receiving its fair share of residential demand as well. "Exorbitant prices in Anna Nagar and Porur have resulted in the demand for residential housing shifting towards Poonamallee which is situated close to these localities yet within the affordable range.

Pros:

- *Best Location*
