Vatika City is a fully integrated self sustaining township. Vatika City Market is an excellent market in which the ground floor and first floor have low maintenance retails shops (high street type) and the 8 floors above are residential apartments. With thousands of apartments within the township and several other residential townships in very close vicinity, the market is very strategically located on the intersection of Sohna Road and Golf Course Extension Road.

Pros:

- Excellent strategic location.
- Excellent construction quality.
- Fully inhabited area.
