Hitec city is one of the leading IT hubs of India with a worldwide recognition as it houses most of the world's best IT Companies. Google, Microsoft and Oracle are some of the few MNC's located in the Hitec city. It has excellent connectivity to all modes of transport and with the Metro rail expected to complete by the end of 2016, it will be a boom to all the commuters/employees working in this IT corridor.

Pros:

- *IT Corridor with excellent infrastructure*
- *Good connectivity to all modes of transport*

Cons:

- *Shortage of quality space (almost nil)*
