**Redrock Construction** When you think of picture-perfect blue skies, lazy palms swaying in the breeze and balmy waters lapping the shores contentedly, it could be any of the numerous beaches of a coastal state that come to mind. But when you add to that picture a patchwork of paddy fields and coconut plantations, dotted with white-washed churches and gentle streams, sunsets that give you a natural nightly cinema, and a smooth mix of Portuguese, Mediterranean and Asian cultures, where the pace of life has altered little for centuries, you know its Goa.
