Project Reviews

Jaypee Greens Pavilion Court Royale

One of the lowest Density Project in an 1150 acre integrated township called Jaypee Wishtown, with only 11 floors in each tower compared to an average of 25-30 floors in other high rise projects in the close vicinity. The tower and project provides a serene view of the beautiful and lush green 18 hole golf course from each bedroom,kitchen and living room of the apartment. All apartments in this projects are semifurnished and comes with modular kitchen, Split Air conditioners in all rooms, Wardrobes in bedrooms with separate place for dressing. The projects provide good amenities like parks and rides for children and club,gym,swimming pool for adults. The project is located in close proximity to Delhi on the left side of Noida Greater Noida Expressway . Tops schools are located in its close proximity too with a privilege of school bus dropping your children just outside your tower main gate which saves a lot of time and provides a sense of convenience and security too. The project also provides other amenities like reserved parking in basement, visitor parking and 2 tier security itoo

Pros:

- *Low Density*
- *Close proximity to Delhi*
- *Excellent Golf View and good horticulture*

Cons:

- *construction happening in some towers*
