Attibele is well connected to the main road, which have connectivity to Sarjapura, Hosur, Anekal, Electronic city and other prominent locations. Within the range of 15 km their are more than 500 National and multinational companies are operating, which have more than 3.5-4 Lakh employment surrounding our project and many more companies setting operation in Attibele and Hosur surrounding which leads huge residential demand in Attibele surrounding which give value proposition to your investment in Attibele area.

Pros:

- *Good location*

Attibele is a very beautiful place in Bangalore. Very close to Electronic city & Hosur industrial area. Clean & Green atmosphere.

Pros:

- *Environment Friendly*
- *Good location*

Attibele has future appreciation chances better. There is a justification for the present pricing.

Pros:

- *Silent and peacefull location*
- *Traffic free, pollution free zone*
- *Centrally located & connectivity to all it locations*

Attibele is growing towards becoming a major township from a agricultural rural area. Being at border of Karnataka state, has closer vicinity to Hosur industrial belt with majors like Ashok Leyland, TVS Motor Company, Tanishque Jewellery & watches, Tatra Udyog, India Nippon, National Ply, ITC, Lakshmi Looms, etc. Of Course, lying at Hosur road, Attibele has become an increasingly demanding area for affordable residence for the entire industrial belt on Hosur road starting from Bommana halli to Attibele Industrial parks including Electronic City.

Pros:

- *Growing township for affordable residence*
- *Located on Hosur Road*
- *Well connected*

Cons:

- *Yet to improve on infrastructure*
