ARK Group, established in the year 2001, is motivated by the unrivaled expertise and in-depth knowledge, the company begins growing at an accelerated rate. It is a "coming together" of a fixed of finest professionals from the industries. After greatly studying the pathetic situation of long setbacks on the part of delivery and lack of commitment by various developers because of their financial mismanagement and absence of knowledge and experience in the area of construction. Our directors have come together to place in their experience in financial setting up and construction to end the problem. Projects finished under the directions of our innovative directors have always found appreciation. Our directors are the perfect combination of professionalism, commitment and a true concern for customers.
