Description

Galaxy developer is one of the fastest growing professional companies in the Indian real estate industry with projects spread across the country. The core team at Galaxy has a proven track record for excellence spanning more than 15 years, and is widely recognized for pioneering global best practices, transparency and 100% reliability in terms of deliveries in the real estate industry. Their excellence stems from the company's long-term professional association with the real estate fraternity, making Galaxy one of the few real estate companies in India with a professional team that manages the entire scope of operations. We undertakes projects through acquisitions, joint venture development and real estate asset management that includes development and management. Currently, the company is developing large-scale integrated townships, city outskirts projects, commercial and residential projects.

Galaxy sun city is planned residential layout (as per the guidelines of DTCP) offering plots of multiple dimensions. Located just an hour drive from Bangalore and close to hosakote industrial hub and proposed Nanagudi township and SEZ makes it perfect property for your investment. It is well connected to city by road and isn't too far from leading Industries are planning to set up their shop at the SEZ , H cross will develop as a new satellite town of Bangalore in a couple of years time .
