Ameerpet is also located well. It is close to the National Highway of Mumbai, NH 9 and it is also close to many prominent areas like Begumpet and Kukatpally. So the real estate market of this area is also pretty high and I think it will be a good thing to invest in, here. Yes, Ameerpet is famous for the training and software institutes, but then apart from that, living in Ameerpet can be quite good. This locality has shops, vegetable market and everything that is required for a peaceful living. You have many good schools also nearby like the famous Hyderabad Public School, Gitanjali School, Slate School and Niraj public school Sister Niveditha School etc, and many hospitals like Indo US work, SVS Super specialty hospital and Prime Hospitals.

Pros:

- *Well Planned Area*
- *Availability of good shopping centers, stores, cinema halls, schools*
- *Well Connected with City*
- *Good living atmosphere*
