Expert Reviews on Najah Eco Valley City

Najah Eco Valley City I have purchased plot in this scheme about 3 years back. Developer said we have a cash back policy if you are unable to make the payment later now when we are asking to do a cash back they are saying no. Even they said the project will be completed in 2013-2014, but still they have not got project completed. Big fraud I lost 50k you don't lose your.

Cons:

- *Big fraud*

Najah Eco Valley City I have purchased plot in this scheme about 3 years back. But still plot is not registered on my name. They give various excuses. Looks that I have been cheated. So please beware before any kind of dealing with Najah Developer and their associates.

Cons:

- *They take money but do not give plot.*
