Locality Reviews

Chintal, Hyderabad

in the Chintal area days huge residential movement is going on because recently balanagar flyover was completed. is that the reason traffic issues are not there in this area. smooth movement in the Balanagar area. people also get good services over here.

Pros:

- good connectivity to miyapur, secunderbad, central hyderabad
- all services available, best schools.

Cons:

- internal roads need to increase the size, and maintain the roads
