Hyderabad to Warangal highway 4 lines road & Industrial corridor A huge Rs 550 crore has been allocated for development and giving makeover to five noted temples. Yadagirigutta Temple Development Authority (YTDA) got a major chunk of Rs 250 crore funds. In the previous budgets, YTDA was given Rs 100 crore each year, but this time the quantum was increased.

As mentioned earlier the DTCR RERA approved venture at Very Near Masaipet village which is just 6km from Yadagirigutta is surrounded by many more DTCR ventures with prices going around 4999 and above per square yard.

As a gesture of goodwill, since this is venture, I want to give the plots with a very good price to all my near and dear 4999 per square yard.

As I have to close the venture within 3 months time am looking forward with few options in the selling process of these remaining 33 plots out of total 48 plots plots were already sold out and 10 Registrations are done so far Hence I am looking forward with below three options to clear the sales asap
Selling plots to individuals
Selling plots to group of employees
Selling plots on Lumpsum lot sale
Once again I want to remind my friends, well wishers and customers that the appreciation will be double in coming years as two 150 Roads are passing nearby our venture One is 150 feet ORR road of YTDA and widening of existing Rajapet road which goes from the middle of Masaipet village will be another 150 Feet road And the fact is the venture itself is a road facing one
