Kalyani Nagar is one of the best localities in Pune for residence comparable if not next to Koregaon Park. Close to all important facilities - Airport, Railway, hospitals and developed hub with Shopping malls, favorite eating joints, commercial hubs, banks etc.

Pros:

- Lot of greenery and close to important places

This is the best place in the eastern part of Pune but still its crowded in the evening everything is in walk in distance . Gives a good environment for everyone.

Pros:

- Availability of good shopping centers, stores, cinema halls, schools
- Well Connected with City

Cons:

- crowded area

Good area with hi-class crowd. Easy availability of very need things to nearby

Pros:

- Quite and Calm

Cons:

- EXPENSIVE

Nothing much needs to be said it is the most beautiful and scenic place in Pune. The crowd basically consists of Hi-class people. Even after so much construction, it still maintains high security, greenery, less traffic.

The USP of Kalyani Nagar is that one will not find so much Greenery in any other area in Maharashtra.

Pros:

- Banks, malls, clinics, schools are near by to the locality.
- The place is very Peaceful, quiet and a lot of greenery.
- The locality is very family oriented.
- No water problems and no electricity issues.

Cons:

- none
