Dholera SIR (Special Investment Region) spanning 920 square kilometers is located in the state of Gujarat and is the first smart city of India that is being envisioned as a global manufacturing and trading hub owing to its proximity to the Delhi-Mumbai Industrial Corridor. The region is being looked at as an engine for the economic resurgence of India and is therefore an important agenda on Indian Government's list of affairs. A special investment node on the DMIC Corridor, the city is envisaged to be 6 times the size of Shanghai and 2 times the size of Delhi.

Dholera Sir is divided into 6 Town Planing Schemes which will be developed one after another. In Town Planing 1 Government has included four villages out of 22 villages under Dholera SIR namely Ambli, Kadipur, Gogla and Bhadiyad. This four cities will be developed first and thus rates are going higher and higher and higher day by day.

Pros:

- *Well Planned Area*
- *Availability of good shopping centers, stores, cinema halls, schools*
- *Good living atmosphere*
