Karjat is on the verge to become next mega city after Navi Mumbai.

### Pros:

- *Good Connectivity*
- *Highly developing city*

Posted: Mar 3, 2016 by Giriraj Patil

Karjat is situated on natural plateau of Bhor, Sahyadris and Western Ghats. It is Very rich terrain, full of greenery in the monsoons, with seasonal waterfalls culminating into rivers and streams. Farm houses and residential colonies are springing up here with all civil amenities and a municipal corporation. Karjat has become one of the most sought-after refuge from the high noise, high pollution and fast city life.

### Pros:

- *Fresh oxygenated air not found in fast and suffocating city life*
- *Best Location*

Posted: Apr 14, 2015 by Vishal I

Karjat is seen as one of the fastest developments for holiday homes due to the infrastructure and connectivity in place and the road map being laid for the future to meet the growing demands.

### Pros:

- *Environment benefit*
- *Speedy development*
