Kumbakonam is called a Temple City of South India and is considered one of the most holy places for all Hindus both living in India and Abroad. As per Hindu Mythology it's believed that Navagraha (9 planets) plays a very important role in our life and offers good and bad impacts based on their positioning in one's horoscope.

Navagraha denotes to nine major celestial bodies that are God Surya (Sun), God Chandra (Moon), God Mangala (Mars), God Budha (Mercury), God Brihaspati (Jupiter), God Shukra (Venus), God Shani (Saturn), God Rahu (North Lunar Node) and God Ketu (South Lunar Node). In order to magnify the Good effects and nullify the Bad effects offered by these Navagrahas during their transition in one's horoscope, people visit their respective navagraha temple (offering good or bad impact) and perform pooja (offerings to navagraha) in order maintain peace and happiness in their family and neighborhood. Since this cycle of transition goes on and on throughout the life, visits to these navagraha temples are always on throughout the year.

Kumbakonam is the best place to Camp-in if someone wishes to visit these temples within a short span of time. Hence Navagraha Tourism becomes a good business in Kumbakonam. There are good hotels in kumbakonam where people can stay at cheap rates while visiting these temples around kumbakonam.

In fact many people prefer to buy a small house in kumbakonam that can be utilized during their travel to these temples at least 3-4 times a year. People also prefer to buy or build Duplex houses in kumbakonam that can be rented out partly and the other portion can be used for their personal use during their travel to kumbakonam. Individual villas in kumbakonam are also very popular since the lands rate in kumbakonam (residential plots in kumbakonam for sale) is much cheaper when compared to residential plots in metros like Chennai, Mumbai, Delhi or Kolkata.
