Locality Reviews

Iyer Bangalow, Madurai

Iyer Bangalow is a very good place for living for people who wants to be in Madurai. Part of Corporation and City but away from noise zone. Accessible from every where and every part of city. Good ground water, but water level has gone down due to increase in number of houses and currently flats are being constructed to meet increasing residential demand.

Pros:

- *Calm & away from crowded place, meanwhile within city limit*

Cons:

- *Possibility of not getting autos in night hours. Has to be dependent on own vehicle or Taxi.*
