Sector 56 is in contrast to its immediate neighborhood, an almost perfect oases in a desert of chaos. As principally, a combination of plotted colony, and CGHS apartment blocks, it is not a Gated Apartment, at the mercy of pre determined private builder. It is also preponderantly middle class, and is home to a large community of professional families and that gives rise to a citizenry, which is engaged - and this reflects, in the choice of commercial, educational, healthcare and sporting facilities which are on offer. Now snuggled in the warm embrace of 3 arterial roads, Golf Course Road, Golf Course Extension Road, and Huda City Centre - Sector road, it has excellent connections too and soon will be walking distance from the Sector 56 Metro Station.

Pros:

- *Access to Public Transport*
- *Shopping, Local Market, Banks,*
- *Schools, Hospitals, Sports Facilities*
