Locality Reviews

Boduppal, Hyderabad

GOOD location centre of city with all facilities good well developed area with all infrastructure facilities and as well good return on investment

Pros:

- *good insfracture*

Posted: Sep 30, 2021 by Kamalakar reddy

Boduppal, which is adjacent to Uppal on Hyderabad - Warangal highway. Boduppal has been developing as residential zone, as the IT major, Infosys Technologies is located at around four kilometer distance. World wide project 'Hyderabad Metro Rail' has been in full swing at the starting point of Uppal, because of which population density will be increasing. One more major advantage of Boduppal is that it is located at same distance to both Hyderabad and Secunderabad as well as many Engineering Colleges, PG Colleges and major housing projects are located towards Ghatkesar and Bhongir.

Pros:

- *Highway Road connectivity*
- *Wider Road towards GP Office*

Cons:

- *Insufficient ground water sources*
- *Colony layouts with narrow roads and poor infrastructure*
