Locality Reviews

Chandigarh Road area, Ludhiana

Chandigarh road is the most happening place for the next 2 years.

With planned last station of Ludhiana Metro Rail and proposed upgradation of existing Airport to international Airport, and Govt acquisition of 1500 acres of land for development , makes Chandigarh Road, a dream investment opportunity right now. The investors can expect returns varying from 50% to 100% in short term and between 500 to 700 % in long term.

Pros:

- *Metro Terminal station*
- *Upgradation of existing airport to international*
- *Acquisition of 1500 acres for residential development by PUDA*
